1 Dictation

This document sets out the expected characters that we are trying to learn and be able to write in dictation tests each week. It doesn't indicate the stroke order, but these are listed on the accompanying handouts. It complements the vocabulary set which is a wider range of words and characters to be able to say, hear and read.

2 Lesson 2

For testing in lesson 3.

2.1 Numbers

零	líng 零	líng	Zero
	уī —	yī	One
